

# BIGUAMINE™ WOUND WASH

NON-PRESCRIPTION ANTISEPTIC

**Biguamine™ Wound Wash** contains the active ingredient **Qualex®** and is a Biguanide/Amine mixture. It is a non-prescription antiseptic liquid solution for first aid treatments. It allows you to gently wash dirt and grime from cuts, grazes and to cool and disinfect stings and burns. Protects against infection by cleaning and killing harmful microbes without touching or aggravating the sore, broken skin or wound.

**Biguamine™ Wound Wash** will not burn or sting when it is sprayed on making it a must-have in all first aid situations, or for wound care in hospitals, doctor's rooms, nursery schools, retirement villages, veterinary clinics or at home for young active children and the whole family.

## **Biguamine™ Wound Wash is available in:**

- 250ml - Spray Bottle
- 1 Litre - Trigger Spray Bottle
- 5 Litre - Bulk
