

SURFACE CLEANER

Detergent Spray

PRODUCT DESCRIPTION

Available sizes: 20L, 5L, 1L Trigger Spray

Dilution Factor: Ready to use

Physical Form: Translucent pink liquid

Odour: Mild chemical odour

pH: 7-8

Incompatibility:

Do not mix with other chemicals

INSTRUCTIONS FOR USE

Spray **PrimeSafe Surface Cleaner** uniformly over the surface from a distance of about 30cm away. Wipe the surface down thoroughly with a damp cloth, ensuring that all areas of the surface are thoroughly wiped. Allow the surface to dry naturally before applying a disinfectant, or using the surface again.

FIRST AID

In case of eye contact: Flush eyes thoroughly with water. Redness may occur, but should dissipate within 60 minutes. Should it persist, consult your doctor.

In case of ingestion: Do not induce vomiting, rinse out mouth then drink a large glass of water, and consult your doctor.

In case of skin contact: Rinse area with water.

In case of inhalation: Remove patient to fresh air for 15 minutes.

PPE REQUIREMENTS

Latex gloves for sensitive skin, however OHSA requires the use of eye protection & good ventilation when mixing, handling or discarding chemical disinfectants.
