

# QUADEX® WET WIPES

HIGH LEVEL DISINFECTING WIPES

**Qualex® HIGH LEVEL Disinfecting Wipes** are ideal for the following professional applications:

- For use in all medical and dental areas, including theatres, clinics, dental surgeries, hospital wards trauma units, surgeries, emergency services applications, surface disinfection of machines (X-Ray, Mammography, Ultrasound etc.) and breathing apparatuses. Can be used by paraplegics and people suffering from bladder problems for the disinfecting of catheters.
- Suitable for the surface disinfection of benches, shelves, counter tops, chains, trolleys, beds, telephones, toilets, computer keyboards and laboratory equipment.
- For the disinfection of probes, transducers, centrifuges, pipettes, incubators as well as other sealed devices.
- For use in all high risk areas and on most surfaces including glass, metal, ceramics, fabrics, plastic and rubber. Disinfecting Wipes are impregnated with **Qualex®** the active ingredient in most of our high level disinfectants. Disinfecting Wipes are safe, flexible and economical to use.

**Qualex® Wet Wipes are available in:**

- Tubs of 150 wipes
- Buckets of 750 wipes
